

Directions to the People & Planet office

51 Union Street, Oxford OX4 1JP Tel: 01865 245678

From Oxford Rail Station:

Exit out of the central doors and walk down the concrete steps. Immediately in front of you will be a bus shelter. The No. 5 bus will take you directly to the Cowley Road. You need to ask for the second stop on the Cowley Road (look out for Blockbuster Videos on your right, the stop is shortly after that). Journey time from the Rail Station is approximately 15-20 minutes and buses run every 5 to 10 minutes during the day.

From Oxford Bus Station:

Exit left out of the bus station onto George Street. Walk up the road, passing the cinema on your left. At this point cross over the road and continue walking on to New Inn Hall Street. This will lead you onto Queen Street. Wait at the No. 5 Bus stop. You need to ask for the second stop on the Cowley Road (look out for Blockbuster Videos on your right, the stop is shortly after that). Journey time from the bus station to the Cowley Road is 20 –30 minutes.

From the Cowley Road

Continue down the Cowley Road from 'The Plain' roundabout until you pass the Oxfam shop on your left. Turn left down Union Street (just before Boots), then walk past Tesco's car park and the East Oxford First School (both on your right). After the school, turn right into the driveway of the East Oxford Education Complex. The People & Planet office is at the top of the drive to the left of the all-weather football pitch.

A40 from London:

Coming into Oxford along the A40 from the East, one of the first things you will come to is a large roundabout. The A40 itself goes off to the right, going around the north of Oxford. At this roundabout you should go straight over – heading into the centre of Oxford. Keep going straight on for some way (you'll go past some parades of shops and Oxford Brookes University on the left). The road will go down a steep hill with high walls and trees on either side. At the bottom of the hill a park opens out to the left, and you will come to two sets of traffic lights, one after the other. At the second set, turn left down Morrell Avenue (you can't actually turn left at the first set, so remember it's the first left at the bottom of the hill). Take the second right off Morrell Avenue, which is Union Street. About 75 metres along Union Street turn left into the driveway of the East Oxford Education Complex, where People & Planet office is located. Visitors' parking is available. The People & Planet office itself located on the left-hand side of the Complex, next to the all-weather football pitch.
