Summary of your proposal (no more than 30 words).  For example, a topic for discussion, a position to debate or suggested course of action (like a motion).	The final proposal of the P&P Scotland working group – to go forward with the groups work in setting up a permanent staff presence in Scotland.
What is the proposed agenda item?	<i>Communicate to the whole network the reasons for and content of the Scotland Working Group proposal, and achieve consensus for proceeding.</i>
Why is this important for People & Planet?	<i>The Working Group has highlighted a number of important areas:</i>

*Lack of 6<sup>th</sup> form groups in Scotland*

*Different political context with a different Government – opportunities for campaigns more suited to Scotland*

*Different educational context – opportunities for establishing a sixth form network in Scotland*

*Different funding context – specifically Scottish funding opportunities currently being missed*

*The Working Group has come up with substantial proposals which should be discussed by the network as a whole.*

*How could it be implemented? (if applicable) – presentation of paper followed by discussion/questions then vote.*
